Cayuga Master Servicing Plan Update

Haldimand County has initiated a Municipal Class Environmental Assessment (MCEA) to update the Master Servicing Plan (MSP) prepared in 2010 for the community of Cayuga.

HOW WILL THIS AFFECT ME?

The purpose of this study is to update the four (4) servicing components of the 2010 Cayuga MSP (water, wastewater, stormwater, and transportation) to reflect updated land use and growth forecasts in the study area. The updated MSP will guide future infrastructure projects in the community.

The proposed infrastructure alternatives may have an impact on stakeholders, rightsholders, and property owners, therefore, consultation will be a key element of the process and input will be sought throughout the study.

PUBLIC OPEN HOUSE

Public Open House No. 1 is being held to present existing servicing constraints in Cayuga and gather input from stakeholders, rightsholders, and residents. All those interested in the project are invited to attend the Public Open House:

Date: January 28th, 2025

Time: 4 p.m. to 6 p.m.

Location: Cayuga Arena (McSorley Room), 55 Thorburn Street, Cayuga, ON

HOW DO I GET MORE INFORMATION?

All those interested in the project are invited to view the project information on the County's website: "[Cayuga Master Servicing Plan Update](#)" (opens in web browser). A mailing list for notification of study status and opportunities for public input is being compiled. If you wish to add your contact information to the Cayuga Master Servicing Plan Update study mailing list, or if you have any questions regarding the study, please contact one of the people listed below.
