Dunnville Master Servicing Plan Update

THE STUDY

Haldimand County has initiated a Municipal Class Environmental Assessment (MCEA) to update the Master Servicing Plan (MSP) prepared in 2009 for the community of Dunnville. The purpose of this study is to update the four (4) servicing components of the 2009 Dunnville MSP (water, wastewater, stormwater and transportation) to reflect updated land use and growth forecasts in the study area.

Project information is being posted to the County's website to allow stakeholders an opportunity to review project materials and updates associated with this proposed project. All those interested in the project are invited to view the project information on the County's website: "[Dunnville Master Servicing Plan Update - Haldimand County](#)" (opens in web browser).

COMMENTS

Public and agency consultation is a key element of the process and input will be sought throughout the study to inform the evaluation. A mailing list for notification of study status and opportunities for public input is being compiled. If you wish to add your contact information to the Dunnville Master Servicing Plan study mailing list, or if you have any questions regarding the study, please contact one of the people listed below.
