Hello Bhajan,

Thank you for contacting me with regards to the Hagersville Master Servicing Plan Update Study. We will be sure to add you to the mailing list.

I also appreciate you raising for awareness, the MSP Update that Hamilton is working on. As you know, Hamilton currently supplies drinking water to the communities of Caledonia and Cayuga within Haldimand County and that there is a Water Servicing Agreement between the City of Hamilton and Haldimand County. I believe that within the Water Servicing Agreement, there is a requirement for the two parties to meet in 2024 to review water demands and forecasted needs.

I would be supportive of looking to begin those discussions in the near future.

Regards,

Philip Wilson, C.E.T., PMP

Subject: [EXTERNAL] Hagersville Master Servicing Plan Update Study

Caution

This email is NOT from a Haldimand County Employee

Good afternoon Philip,

My name is Bhajan Sarker. I manage the Water, Wastewater and Stormwater Master Plan Project for the City of Hamilton. I'd like to include me and other City staff in the mailing list of the Hagersville Master Servicing Plan Update Study Haldimand County has undertaken. As you know, the City of Hamilton is updating the 2006 Water, Wastewater and Stormwater Master Plan (W/WW/SWM MP) to develop a long-term servicing strategy and capital forecast to ensure the level of service for existing residents and businesses, to support future growth in the community through 2041, and to consider potential impacts post-2041. The W/WW/SWM MP updates and information post on the dedicated project websites below:

<https://engage.hamilton.ca/wwsmasterplan>

<https://www.hamilton.ca/city-council/plans-strategies/master-plans-studies/water-wastewater-and-stormwater-master-plan>

Due to the current engagement with the two communities, I think that our master plans should be up to date in terms of current information available and ensure that any servicing impact may or may not affect future growth and demand.

Please feel free to contact me if you need any information related to the City of Hamilton W/WW/ SWM MP study.

Thanks and regards,

Bhajan
